

Southwell Primary School

Attendance and Engagement 2016 - 2018

Co-ordinator Nicole Jetta

Objectives: Being on time and regular attendance effects behaviour and engagement in school. Every student will have regular attendance to sustain a composed classroom that helps students build social skills, friendships circles and network support.

Improvement Targets: Based raw on SIS data, we will maintain an 85% or above attendance rate across the whole school.

Major Strategies: Attendance meetings. Home visits. Correspondence with stakeholders. Data input and analysis. Program development – resiliency, behaviour management, intervention and healthy lifestyle.

Resources: (Physical / professional / funding etc.)

What strategies	When – start & finish	Who – responsible	How – money
