A=4 B=9 C=0 Write a secret note to someone using the numbers for letters. Ask them if they can crack the code.</p>	<p>Nothing but Net Create a net for a 3 dimensional shape. Make sure to use a ruler, then cut the net out and check that it folds into a that shape.</p> 	<p>High Fashion Imagine you have 4 tops, 5 pairs of pants and 3 pairs of shoes. How many different outfits could you make? Draw each possible combination.</p> 	<p>Money Bags Create a budget. You are paid \$700 per week. Work out how much you would spend on housing, food, entertainment and other expenses. How much is left over?</p> 
<p>Create a map of your neighbourhood by memory. Which street names do you know? How many houses are on each block?</p>	<p>Multiplication Master Roll 2 dice and multiply the two numbers together. Then try with 3 dice. You may want to challenge someone to test your speed.</p> 	<p>Area Measure the length and width of different rooms to work out the area in square meters.</p> 	<p>Grand Design Design the 'perfect' bedroom. Include measurements and label all of the items.</p>	<p>Online Maths Go to prodigy (www.prodigygame.com) Or www.timestables.com</p>

Learning at Home Package: Integrated Learning - Year 4 to 6

Science

Look in your yard or at the park to make a list of living and non-living things.

How could you tell the difference?

How else could you categorise these objects?

HaSS

Make a list of 10 laws that we have in Australia. Write down why you think those law exists.

Imagine you were starting your own country. Write 10 laws that you believe are the most important to you.

Health

Create a healthy menu for breakfast, lunch and dinner.

Include all the ingredients.

Physical Education

Keep a diary of the physical activity you do in each day this week.

Record the time spent each time. How could you improve your throwing, catching or kicking skills?
Respond: write a list of strategies you could use to improve your skills.

Creative Arts

Practice and perform a dance to a song that you like.
