Dear Parents and Caregivers,

My name is Jason Bushe-Jones and I will be your Acting Principal for Term 3 whilst Ms Elizabeth Melville is on leave. I look forward to working alongside you to provide the best possible education for your child/children. I may have already met you whilst I was here at the end of last term, if not, then please don't hesitate to come in and say hello.

Attendance

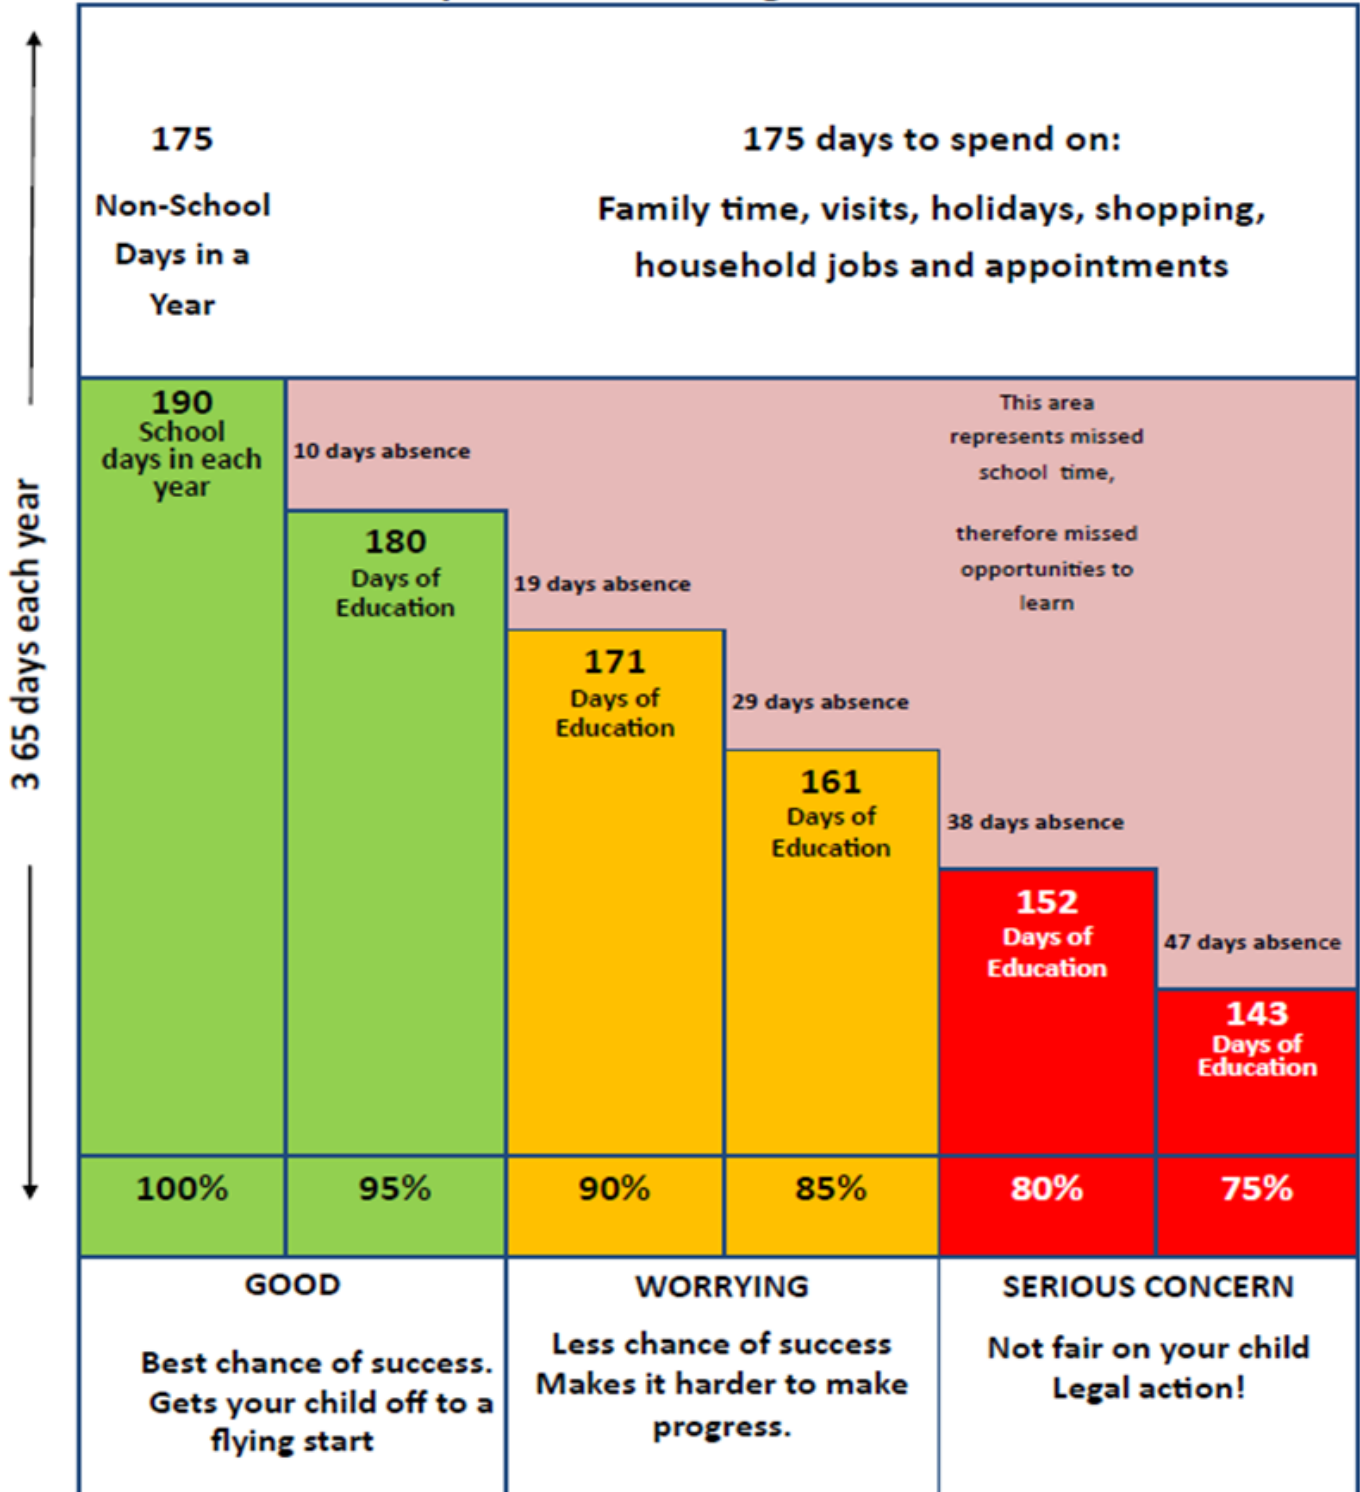

Your child's attendance at Southwell Primary School is of vital importance. Regular attendance at school provides your child/children with the best opportunity to be successful in their education. It also teaches them about structure and routine. If you are having difficulties in getting your children to school, then please don't hesitate to make a time to meet with me to discuss further. The following charts provide some useful information:

Yours sincerely
Jason Bushe-Jones
Acting Principal.

If a child misses...	that equals...	or...	From PP to year 12 that adds up to...	Which is the equivalent of attending until:	Attendance category
1 day per fortnight	20 days per year	1 month per year	nearly 1 ½ years	part-way through year 11	Regular
1 day per week	40 days per year	2 months per year	over 2 ½ years	part-way through year 10	Indicated
2 days per week	80 days per year	4 months per year	over 5 years	the end of year 7	Moderate
3 days per week	120 days per year	6 months per year	nearly 8 years	the end of year 4	Severe

We would like to acknowledge the Noongar people who are the Traditional Custodians of this land. We would also like to pay respect to the Elders past and present of the Noongar nation and extend that respect to other Indigenous Australians who are or may be present.

ARE YOUR KIDS SAFE ONLINE?

Ever wondered what your child is [doing online](#)?

Do [you](#) know enough [to keep them safe](#)?

Want to [know more](#) about how to [protect](#) your children online?

Paul Litherland, owner of Surf Online Safe, is highly regarded as one of Australia's leading key note speakers on Internet Awareness. He was a WA Police officer for 20 years working within the Technology Crime Investigation Unit where he was involved in working with children (and their families) who were either the victims of online crime, or the offenders themselves.

On 21 August 2019 between 4:30pm and 6:00pm Paul will be holding a parent presentation at Phoenix Primary School with a focus on how to keep kids safe online and minimising risk. This is a fantastic opportunity not to be missed so put it in your diary now!
