We would like to acknowledge the Noongar people who are the Traditional Custodians of this land. We would also like to pay respect to the Elders past and present of the Noongar nation and extend that respect to other Indigenous Australians who are or may be present.
**Poetry Festival**  
**Wednesday 14th September**

The Poetry Festival is on again! This Wednesday, starting at 11:20 in the music/assembly area classes will present their poems for your enjoyment. Individual recitals will be held in classrooms after lunch and groups will move around the school to perform for different audiences. Please come along and support your children as they have put a lot into presenting items that have been practiced for many weeks now. Don’t miss the surprise recital on stage at 11:20.

**Book Fair and Dress Up Parade**  
**Thursday 15 September**

Book Fair takes place this week Thursday 15th September  
Children will view the collection on Wednesday morning and complete their wish lists.  
On Thursday Ms Fragall and Mrs Jones will be on hand for the purchase of books and other items between 11am and 4:30 pm. All parents and families are welcome during that time and children with money ready to make their purchase will be taken to the library during the day to shop at specified times.  
The theme for the Book Fair this year is Australia. So we encourage children with your assistance to dress up in an Australian theme or as a character from one of their favourite Australian author’s books. There will be voucher prizes for the best dressed to be spent at the Book Fair sale.
Father’s Day

On Thursday the Pre-primary and Kindy class held a Father’s Day celebration. A big thank you to all the Dads and Mums that came along and participated in the next stage of the garden upgrade taking place in the Pre Primary Kindy area. Every one worked hard to build two ‘Yarning’ circles and provide some much needed refreshments after the hard work was done. What a great display of teamwork! Great job and a massive thank you to everyone once again. Children worked alongside their visitors and built kites as well. It was great to see them all on the oval at lunch time having a wonderful time flying them. There was also a Photo Booth set up for the occasion. The garden project is ongoing and we will keep you posted with the next steps and requirements.
Does your child have exceptional academic ability? Why not consider Fremantle’s NEW Gifted and Talented Academic Program – a program designed to challenge your child to achieve at the highest level.

If you are unsure about what the Gifted and Talented Academic Program is all about, come along to our parent information evening. It will include a detailed presentation about the new academic program, as well as the application and selection process for other Department of Education Gifted and Talented Programs. You'll also have the opportunity to ask questions at the end of the session. Please ensure you RSVP to book your place. Details are:
