Week: 4 Term 4

7 November 2019

Dear Parents and Caregivers,

It has been a busy couple of weeks for staff and students at Southwell Primary School. Last Week all students from Year 1-6 attended the Aboriginal Health and Well-being Day at the Cockburn Integrated Health complex. It was a fantastic day full of great activities such as rock painting, traditional dance and a wonderful lunch. I want to thank our School Council Chairperson Clory Carrello who organised the event and invited us to all come along. Our students were certainly spoiled leaving the day with a bag full of goodies.

The Interschool Athletics Carnival was cancelled due to inclement weather. It has been rescheduled to today at Santich Park. Good luck everyone. The jumps and throws went ahead as scheduled last Tuesday. We did incredibly well and punched well above our weight, placing in many of the events. I was most proud of the positive comments from other schools on the way Southwell students behaved on the day and our great sportsmanship that was demonstrated. It made me feel so honoured to be leading this school.

Our attendance records indicate that we are losing some of the great improvements from last term. Remember every school day is important. Under Western Australian law it is mandatory that children attend school every day unless they are too unwell, they have an infectious disease or the Principal is provided with a genuine and acceptable reason. Please remember to reply to our text message or send a letter explaining why your child was away.

Yours sincerely,  
*Jason Bushe-Jones*  
Principal

## *Early Close Reminder*

Please be aware of our Wednesday Early Close day. School finishes at 2:30 every Wednesday. The school day is structured to take into account the early finish each week so there is no teaching time forsaken. The time after 2:30 each Wednesday is set aside for all staff to meet and plan.

It is appreciated that children are to be collected from class and leave for home promptly to enable teachers to get to their meeting on time. The later all staff get together, the later the meeting goes, so the timing is essential.

## *Aboriginal Health and Wellbeing Excursion*

Southwell students, Year 1-6 attended the Cockburn Health and Community Centre on 30 October and took part in an Aboriginal Health and Wellness event. They all enjoyed the entertainment, activities and free lunch provided. As a school Southwell received the most wonderful feedback for their good behaviour and eager participation as a whole group. Many thanks to Mr Clory Carrello for inviting Southwell students to attend.
